

# Precision Engineering • Quality Manufacturing Technological Superiority • Reliable Performance

AeroControlex has specialized in manufacturing the highest quality Pumps and Controls for fighters, transport and rotary wing aircraft since 1947.

AllClear is the exclusive stocking distributor for AeroControlex's line of pumps and controls.

## PUMPS

AeroControlex Manufactures lube, scavenge, hydraulic and fuel pump products for F-15, F-16, F-18, F-22, C130, C-17, UH-60, CH-47 etc. AeroControlex maintains exclusive license and is the only authorized source to manufacture Honeywell APU lube pump products including the JFS190 (F-15) and the GTCP85-163CK (C-130) and the GTCP36-100W (F-18).
