

ALL CLEAR Aerospace & Defense

EXCELLENCE IN SUSTAINMENT SOLUTIONS

F-16

As platforms age, support for sustainment diminishes and end-users tasked with maintaining operational readiness are faced with critical deficits. At AllClear, we have a simple mission to keep our customers' fleets mission ready. To accomplish that mission, our sustainment solutions cover the most utilized aircraft, supported with distribution agreements from leading OEMs, in-house and managed repair solutions, engineered products, manufacturing capabilities, and a team that is dedicated to your fleet's safety and performance.

Distribution

In collaboration with established alliances and strategic partnerships with the industry's leading manufacturers and repair centers, AllClear provides in-stock parts and supplies for operators, depots, and aircraft MRO centers worldwide.

Repair Services

MANAGED REPAIRS

Leveraging In-House Capabilities and a Qualified Network of Resources

- Single point of contact
- Strategic alliances with OEMs and repair centers
- ITAR/Export compliance
- Warranty management
- Dedicated experts

ADDITIONAL CAPABILITIES

- Rotable exchange pool
- In-house tooling development
- Engineering design services
- Fabrication
- Electro-mechanical

IN-HOUSE CAPABILITIES

HYDRAULIC

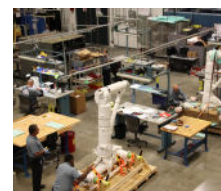

FUEL

PNEUMATIC

WHEELS & BRAKES

LANDING GEAR

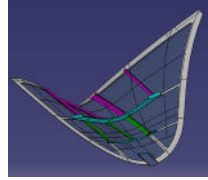

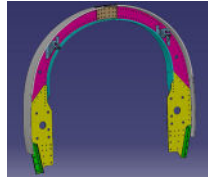

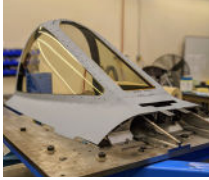

APU

Engineered Products

When the planned operational life and modernization needs of an aircraft exceed the availability or capabilities of ready-made solutions, this is exactly where our Engineered Products segment can help.

STRUCTURAL ASSEMBLIES MANUFACTURING

- Canopies
- Windshields
- Flight control surfaces

IN-HOUSE ENGINEERING

- Reverse engineering
- SAR development
- Custom repair & rework procedures
- CAD design

MANUFACTURING

- Brackets
- Doors
- Soft goods
- Machined parts
- Tube bending
- Landing gear components

TOOLING

- Custom build
- Design tooling and fixtures

REPAIR SERVICES

- Testing
- Repair & overhaul of pressure vessels
- High pressure pneumatics

INSPECTION

- AS9100D QMS
- Laser scan
- CNC inspection

Logistics Solutions

Our flexible logistics solutions are designed to keep your aircraft mission ready. From provisioning to inventory management, and life extension upgrades to total logistics support, we're ready to help with tail to tip support.
