trademark for that model/version of the material. c. Franchised or Authorized Distributor shall mean a person, business, or firm that is authorized and/or franchised by an Original Component Manufacturer (OCM) to sell or distribute the OCM's products. d. SUPPLIER must present complete and compelling support for its request and include in its request all actions to ensure the parts/components thus procured are legitimate parts. BUYER approval of SUPPLIER request(s) does not relieve SUPPLIER of its responsibility to comply with all Order requirements, including the representations and warranties in this paragraph.

3. Independent Distributor (SUPPLIER) shall have procedures in place that meet the requirements of SAE AS5553. The original manufacturer's Certificate of Conformance (C of C) and all traceability documentation shall be included with each shipment of parts. It shall include the manufacturers name, part number, date codes, lot codes, serializations and/or any other batch identifications.

4. SUPPLIER shall notify BUYER if the original OEM/OCM C of C and traceability documentation is not available. Recorded evidence inspection and of all testing performed shall be included with each shipment. If suspect counterfeit parts are furnished under this Order and are found in any of the goods delivered hereunder, SUPPLIER shall promptly replace such suspect counterfeit parts with parts that are acceptable to BUYER and SUPPLIER shall be liable for all costs relating to the removal and replacement of said parts as specified in the Order requirements or SUPPLIER's insurance policies. Any suspect counterfeit parts shall be returned to SUPPLIER. If

EXCELLENCE IN SUSTAINMENT SOLUTIONS

SUPPLIER verifies the said parts to be counterfeit, SUPPLIER must certify that the counterfeit parts shall be destroyed, and SUPPLIER must report the part to ERAI and/or GIDEP.

5.
